Schönbrunn Palace CONCERTS

Your Emotional Souvenir

**Our story that
made history**

Classical Music Concerts at Schönbrunn Palace Orangery

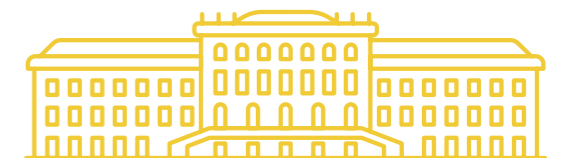

Our Schönbrunn Palace Concerts have been an integral part of the Viennese world of music and culture since 1997. The Baroque Schönbrunn Palace Orangery provides an extraordinary setting for events that features classical music. It was frequently used as the perfect location for sumptuous festivities with musical performances back in the times of the Habsburg dynasty.

The historical duel between Wolfgang Amadeus Mozart and Antonio Salieri took place during one of these concerts.

We have decided to keep this tradition alive. The Schönbrunn Palace Orchestra and the Schönbrunn Palace Ensemble alternate to perform the most beautiful pieces of music ever written by Wolfgang Amadeus Mozart and Johann Strauss.

Schönbrunn provides us with a wonderful atmosphere and we select our talented musical artists carefully to ensure that the music is authentic and traditional and is interpreted wonderfully.

We strive to be attentive hosts and to create a short but unforgettable evening for our guests. We offer more than just concerts for tourists... we are people you will remember fondly when you go home and we love giving our guests something that money can't buy: an emotional souvenir!
